

LASTEC®

Manufacturer of the
World's Only High-Definition
Articulating Mowers

TURF/COMMERCIAL MODEL 3300/3600

100" of Power, Precision, and Production. Welcome to the Next Generation of Mowing.

Four things set the Lastec 100 Series Articulators apart from any other commercial mower on the planet. First, these zero turn mowers cut 100" (254 cm) of grass. Second, they cut that wide with the accuracy of a 21" (533.4 mm) push mower. Third, the 100 Series Articulators' outer decks fold easily, reducing the transport width to 78" (198.12 cm). Fourth, they can safely trim closer to ponds, banks, and other obstacles than other mowers with its 21" (533.4 mm) outside deck side reach. They can be transported on a small trailer, reach under and closer to objects than other mowers, and eliminate string trimming and hand mowing.

TURF/COMMERCIAL MODEL 3300/3600

L A S T E C

Manufacturer of the
World's Only High-Definition
Articulating Mowers

Maneuverable zero turn
drive configuration

Lightweight low
center of gravity

Available engine
33 hp or 36 hp diesel

1" to 4 1/2"
(25.4 mm x 114.3 mm)
cut height

Patented efficient belt drives

Five fully articulating
21" (533.4 mm) decks

3/16" (4.76 mm) steel deck
construction with 3/8" x 1/2"
(9.52 mm x 12.7 mm) solid
steel bar leading edges

Rear discharge and
mulching capabilities

Fold down ROPS

Comfortable suspension
seat with arm rests

Heavy duty
hydrostatic drive

Two 6 gallon (22.7 liter)
fuel tanks

21" (533.4 mm) side
reach allows closest
trimming near pond
banks, ditches and other
obstacles

Quality Rotary Mowers for a World that isn't Flat

Folds to 78" (198.12 cm)
for transporting

3300/3600 SPECIFICATIONS*

U.S. Patent Nos. 6,065,274
6,205,754

*All specifications subject to change
without notice

- Engine Options: 33 hp (24.61 kW) Kubota turbo charged diesel
36 hp (26.8 kW) Yanmar diesel
- Cutting Width: 100" (254 cm)
- Transport Width: 78" (198.12 cm)
- Deck Configuration: Five 21" (533.4 mm), 5 1/2" (139.7 mm) deep
articulating
- Deck Height Range: 1" (25.4 mm) to 4 1/2" (114.3 mm)
- Overall Weight: 2,142 lbs (971.6 kg)
- Speed: Infinitely variable up to 9 mph (14.5 km/h)
- Warranty: Two years parts, one year labor
