Manufacturer of the
World's Only High-Definition
Articulating Mowers

TURF/COMMERCIAL MODEL 621ER

Built with the Budget Minded Golf Courses in Mind

Mow with one of the most impressive mowing decks in the world. Imagine the perfection you will achieve with three 42" (106.68 cm) decks. This gives you the productivity of a 10' 6" (3.2 M) mower with the precision cut of three much smaller mowers. The Model 621ER utilizes a patented self-tensioning belt drive system that is efficient and maintenance free. The 621ER is a highly maneuverable mower in a compact package and can be lifted by the tractor for transport.
