

L A S T E C®

Manufacturer of the
World's Only High-Definition
Articulating Mowers

TURF/COMMERCIAL MODEL 80 SERIES

One of the World's Most Accurate 80" Rotary Mowers.

The 80 Series Articulators are built to meet the rotary demands that range from golf course use to heavy commercial applications. This series is available with a 33 hp Kubota turbo diesel and 36 hp Yanmar diesel. The 80 Series offers a wide cut utilizing four 21" (533.4 mm) articulating rotary decks and features a 20" (508 mm) side reach to reduce hand mowing and trimming near ponds or banks.
